<b>Respondent</b>	<b>Answer</b>
1521545	Colin was an excellent TF, perhaps one of the best I have ever encountered at Yale. His knowledge about Japanese history and politics, on top of his skill at leading conversations and exciting students about the topics, saved the course when things seemed to be falling apart.
1522327	Colin was a great presence in and out of the classroom: highly knowledgeable, and highly approachable.
1540517	Colin was a great TA who helped engage the class and provided invaluable help on most of my assignments.
1543487	Colin is awesome
1543728	Passionate and always engaged
1544121	- extremely knowledgeable on the course subjects - helpful and kind to students - great facilitator of class discussion - wonderful Teaching Fellow, would recommend to other students
1544197	Colin was very helpful and also friendly and fun. I really appreciated the enthusiasm he brought. Oh and when we got snacks!
1544396	Super helpful and always willing to help!
1546991	Colin was very helpful and kind in giving feedback and lending his knowledge.
1550701	Colin was very cogent and helpful in class, and explained things in a very clear and engaging way. I wish we had more of Colin in class and his project on Japans soft power sounded very interesting.
1550881	Colin was a very funny and energetic lecturer, and I enjoyed his teaching a lot. I especially liked the fact that he always added up some background knowledge to what Dr. Rosenbluth/Dr. Kato was teaching. My only suggestion is similar to what I gave to Dr. Kato: making this course more informational by teaching more and give less time to discussion time.
